

Staff development Programme on Recent Advances in Human Resource Management

Organized by Department of Humanities and Social Sciences, IIT Kharagpur

Certification from
**Continuing Education Cell,
Indian Institute of Technology
Kharagpur**

The short term course **on Recent Advances in Human Resource Management** is a practical and Interactive Workshop aimed to develop an understanding of latest concepts in HRM like Competency Mapping & Development, Knowledge management, Intellectual capital management, HR Audit and Accounting and the Performance Management System that will help Faculty and parishioners of HR to implement it effectively in their organizations.

The course is fully sponsored by MHRD/AICTE under the staff development programme. It does not require a Course fee to be paid by the participants. It is open for teachers of Engineering or Management Institutions or the Management departments of an Engineering Institution approved by AICTE.

The form needs to be filled by the participant and endorsed by HOD or similar supervising authority. A hard-copy filled-in form is necessary before the participant joins the course; however, because of shortage of time, an advance copy as an attachment to the e-mail address of the Coordinator can be sent.

This programme will develop knowledge in the areas of Competency Mapping, Competency Development, KM, Learning organization, intellectual capital management, coaching, mentoring and counseling skills and the Performance Management System. It will train faculty and professional on how to enhance their knowledge and skill using recognized tools. Workshop focuses on various Tools, cases, simulated exercises Like Balanced Score Card, Performance Analysis Tools etc.

Course Design

Managing and developing human resources is critical to any organization's performance. Most organizations assert that human resource is the most valuable asset as it can provide them sustainable competitive advantage. This course offers practical hands on approach to develop human resources, conveying concepts through a combination of theory, cases, examples, and skill building exercises. It will provide a comprehensive review and understanding of latest trends in HRD that can better equip managers to effectively develop human resources.
