Department of Mining Engineering  
Indian Institute of Technology, Kharagpur

With resource personnel co-operation from

Ministry of Environment and Forest, Ministry of Rural Affairs, IBM, PCBs and other regulatory bodies

Announces

The 5 day Short Term Course  
(15th -19th Sept, 2015)

on

“Land Acquisition, Rehabilitation and Environmental Clearance of Projects”  
(Course Code: LARECP'2015)

Land acquisition has got a new dimension after the passing of the new LARR Act 2013. In a way it has given a new subject of discussion for all “Land and People Management”. Today land acquisition is linked to compensation, rehabilitation and corporate social responsibility. Additionally, the actual audit of land, resettlement of damaged public and approval of boundaries are becoming a new area of knowledge, particularly for an agrarian economy largely comprised of poor and diverse people.

Environmental clearance is, without much doubt, the most important factor for project delay and cost overrun for all kinds of industrial activity, large or small. Much of these arise from the mismatch of expectations between the two parties - the developers and the regulators.

Environmental clearance is also getting a new dimension. What started in the Environment Protection Act, 1986 for a few selected industries and activities, today spans almost all industries that have some form of discharges in the environment. With the environmental problems exacerbating, more and more stringent norms are coming in place.

With this in mind the IIT, Kharagpur in terms of resource personnel co-operation with IBM, MoEF, PCB, DFOs and other relevant bodies has designed a short term course on the executives of the industry, civic and public services and affairs “Land Acquisition, Rehabilitation, and Environmental Clearance of Projects” to be held under the auspices of IIT, Kharagpur on 15th to 19th Sept 2015.

Topics:
01. LARR Act.
02. Environmental Clearance Notifications and Circulars.
03. Forest Rights Act and Diversion of Forest Land.
04. Roles of Administrators.
05. Roles of Cline and Village bodies.
06. Compensation Design for Long-term Results.
07. Environmental Science of Soil, Air and Water.
08. Comprehensive Environmental Impact Assessment Criteria and Checklists.
09. Public Hearing.

Who should attend:
All the executives of public and private industries, state, and of central ministries, corporations, DM’s office, Banks, PWD, Railway, Aviation, High way authority, and other offices as appropriate.

Participant Course Fee:
The course is completely professional in nature and participation without fee is not entertained.

Fees paid on or before 15th August, 2015
Individual : Rs. 28,000 = 00/- (Rs. Twenty Eight Thousand Only)
Group (not less than 5 individuals) : Rs. 28,000/- per individual (Rs. Twenty Eight Thousand only)

Fees paid after 15th August, 2015
Individual : Rs. 33,000 = 00/- (Rs. Thirty Three Thousand Only)
Group (not less than 5 individuals) : Rs. 31,000/- per individual (Rs. Thirty One Thousand only)

Sponsorship and Tariff:
The course will have sponsorship opportunities. Sponsorships will be eligible for all IIT Kharagpur wide displays, all session displays, venue display, and announcements*. The course will be attended by a large number of delegates from across India. We are also open to different sponsorship opportunities. Please contact us for details.

* Conditions apply as per category of sponsorships.

How to reach Campus at IIT Kharagpur

Situated about 120 km west of Kolkata, Kharagpur can be reached in about 2 hours by train from the Howrah railway station of Kolkata or 3 hours by car from Kolkata Airport. Kharagpur is also connected by direct train services to most major cities of the country. The Institute is about 10 minutes drive (5 km) from the Kharagpur railway station. Private taxi, auto rickshaw or cycle rickshaw can be hired to reach the Institute.
