**INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR**

**विज्ञापन सं./Advertisement No.: R/01/2019 Dated January 15, 2019**

Indian Institute of Technology Kharagpur is an Institute of National Importance and the first and largest in the chain of IITs engaged in teaching, research and development. IIT Kharagpur is in the process of setting up the first Medical College and Research Centre within the IIT system named **Dr. Bidhan Chandra Roy Super-Speciality Hospital & Research Centre** within the campus of IIT Kharagpur. This is part of IIT Kharagpur's expansion into medical education program. Apart from core clinical offering, the hospital will focus on medical research in a multi-disciplinary environment involving Engineers and field of Bio-Science Specialists. In the first phase, 400-Bed Super-Speciality Hospital is commissioning by January-February, 2019 with Out-Patient & Diagnostic Services after obtaining all statutory licenses from the Competent Authority and second phase will become operational by April-May, 2019 with Inpatient, Critical Care and Operating Theatre.

The vision is to achieve excellence in Education, Clinical governance and Research through dedication and rigour within the autonomy that IIT provides. There will be future expansion & development of the Hospital into a 750-bedded Hospital, along with a dedicated Research Wing. The Hospital, through its state-of-the-art technology platform will provide a stimulating environment for doctors willing to stretch their clinical boundaries in all Specialities and Super specialities including Cardiac, Neurosurgery, Transplantation, Trauma and Oncology.
