Sub : Fabrication, Installation and Modification of classroom furniture at Nalanda Classroom Complex, IIT Kharagpur.

CORRIGENDUM

1. All materials and items that are to be supplied have to be of ISI approved brand or quality.

2. Page No. 11, ANNEXURE – IV, GENERAL TERMS & CONDITIONS, Clause 4 Completion of the Work - Should be read as the new furniture of 28 rooms (Part A) should first be completed within 30 days after receiving the LOI/P.O. and 30 rooms for modifications (Part B) will be made available for the work as per Institute’s convenience instead of “The work should be completed within 30 days from the date of receipt of the Purchase Order”. This also applies for Page No. 3 ANNEXURE – I, point (2) under IMPORTANT.

3. Page No. 3 ANNEXURE – I, Note of B, please be read as

   Extension of width of all the desks in the above mentioned 30 classrooms to be done so that the horizontal distance between all the desks and bench pairs is 185 mm, by advancing the desk and adding at the rear of the desk, 25 mm thick marine ply (with new 40 x 12 mm stiffener and new Teak Wood beading 39 x 12 mm) matt finish with 2 mm thick dark brown melamine coated laminates (century/formica) or equivalent. Teak wood beading on the ply edges as per ANNEXURE E. All items ISI grade. All of the desk and bench upper surfaces to be varnish polished for all 30 rooms.

   Instead of

   “Extension of width of all the desks in the above mentioned 30 classrooms to be done so that the horizontal distance between all the desks and bench pairs is 185 mm, by advancing the desk and adding at the rear of the desk, 25 mm thick marine ply (with new 40 x 12 mm stiffener and new Teak Wood beading 39 x 12 mm) matt finish with 2 mm thick dark brown melamine coated laminates (century/formica) or equivalent. With matching colour varnished polish, teak wood beading on the ply edges as per ANNEXURE E. All items ISI grade”.
4. **FORMAT FOR PRICE BID AGAINST THE TENDER.**  

The Vendors must submit the price bid separately for BOQ Part A and Part B as per given format.
