

Prof. Prabir Kumar Biswas received his B.Tech., M.Tech., and Ph.D. degrees in Electronics and Electrical Communication Engineering from the Indian Institute of Technology Kharagpur in 1985, 1989, and 1991 respectively. He served Bharat Electronics Ltd. (BEL), Ghaziabad as a Deputy Engineer during the period 1985 to 1987. In 1991 he joined the faculty of the Department of Electronics and Electrical Communication Engineering at IIT Kharagpur where he is presently a Professor and was also holding the position of Head of the Department during January 2015 to December 2020. He served as the Head of the Computer and Informatics Center at IIT Kharagpur from March 2008 to December 2014. He is currently the Head of the Department of Artificial Intelligence and also the Project Director of AI4ICPS Innovation Hub at IIT Kharagpur. Prof. Biswas visited the University of Kaiserslautern, Germany during March 2002 to February 2003 as Alexander von Humboldt Fellow. His research interests are in image and video processing, pattern recognition, machine learning, multimedia systems etc. He published more than 200 research papers in various international and national journals and conference proceedings in these areas. He has prepared five online Video Courses under NPTEL program. Prof. Biswas is a Senior Member of the IEEE and was also the Chairman of IEEE Kharagpur Section during the Year 2004. He is a life member and former President of Indian Unit of Pattern Recognition and Artificial Intelligence (IUPRAI, India). He has served as member of technical program committees of several national and international conferences, and served as Organizing Chair of Indian Conference on Computer Vision, Graphics and Image Processing (ICVGIP) in 2008. Prof. Biswas is an Additional Director of West Bengal Electronics Industry Development Corporation (WEBEL).
