Subject: Admission for Post Graduate (MD/MS) Medical programme through All India Quota NEET- PG Counselling (2026–27)

The Indian Institute of Technology Kharagpur, an Institute of Eminence and the first and largest in the IIT chain, has established a research-driven medical college, Dr. B. C. Roy Multi-Speciality Medical Research Centre(BCRMMRC), along with a hospital, Dr. Syama Prasad Mookerjee Super-Speciality Hospital, within its campus at Kharagpur. This marks the Institute's maiden initiative in medical education, aimed at creating a model institution integrating clinical practice with advanced research and technology. The medical research centre is equipped with state-of-the-art teaching and research facilities, incorporating world-standard technologies and robust IT connectivity to provide a stimulating academic environment.

BCRMMRC, IIT Kharagpur, is set to commence its standalone postgraduate MD/MS programmes from the academic session 2026–27 in six broad specialities: General Medicine, Radiology/Radio diagnosis, Pathology, Biochemistry, Physiology, and Community Medicine /Social and Preventive Medicine.

The programmes aim to deliver quality postgraduate medical education, clinical training, and research opportunities, supported by the multidisciplinary academic and research ecosystem of IIT Kharagpur.

The seat matrix for the Academic Year 2026-2027 of the above mentioned programme is given below:
