INDIAN INSTITUTE OF TECHNOLOGY, KHARAGPUR

MASTER OF HUMAN RESOURCE MANAGEMENT (MHRM)

ADMISSION BROCHURE 2022-2024

"Dedicated to the service of the nation"
IIT Kharagpur stands tall on its promise of being dedicated to the nation. In this respect, we aim to provide the industry with a technically high-quality employee pool that lends itself to the growth of various reputed organizations and contributes to our nation-building process. IIT Kharagpur seeks to improve upon this goal every year, the latest developments being the addition of micro-specialisations and the International Summer and Winter Term, arrangements that ensure that our students learn beyond the boundaries of their enriched curricula disciplinary boundaries. What is also encouraging is the students’ participation in various technological, innovative ventures, and socio-cultural events in national and international events, considering the importance of these experiences in shaping up their personalities as individuals.

IIT Kharagpur invites the recruiters to the Campus Recruitment Programme and gives this batch of graduating students an opportunity to prove themselves and add value to the organisations they join. We hope this will be a pleasant experience for the recruiters and a step forward in improving upon the past relations and building up new ones.

The Master of Human Resource Management (MHRM) program is designed to cater to the needs of contemporary industrial society. This program offers the students specialized knowledge and skills required to meet the challenges of the corporate world. The core strength of the program lies in developing skills which are relevant to current trends in the area of Human Resource Management. Over the years, with the changing dynamics of the industry and the economy, the course curriculum and the teaching methodology have undergone significant changes. With continuously evolving curriculum and in the context of the volatile and turbulent labor market, MHRM creates HR professionals with a difference.

It is indeed a testimony to the program that many of our alumni are in top management positions in leading organizations across all sectors and are guiding our participants further on the road to inclusive growth with integrity and ethics. Time and again companies have shown their trust in the brand MHRM program and I am confident that our MHRM participants will always make us proud by their performance. It gives me immense pleasure to invite your esteemed organization to IIT Kharagpur to consider our students of the Master of Human Resource Management for Winter and Summer Internship, and for Final Placements. I can assure you that our participants will prove to be worthy and will be an asset for your organization. I request your full cooperation and support to consider our students for Internships and Placements.
IIT Kharagpur, founded in 1951, is the oldest and largest IIT and the birthplace of quality education in India. It strives to live up to its motto “यो गः कर्मसू को शलम्” (excellence in action is yoga) by admitting the finest minds in the country every year and sculpting them into the researchers, innovators, entrepreneurs, and industry leaders.

It has firmly established itself among the eminent institutions around the globe in the field of technology and research through the dedicated efforts of its distinguished faculty members, state-of-the-art infrastructure, and a shared passion for serving the nation and humankind through constant redefinition, innovation, and growth. IIT Kharagpur has a demonstrated history of the pursuit of excellence and has been constantly modifying its curriculum to meet the ever-evolving needs of industry around the globe.

It has been able to create a worldwide reputation of being one of the finest institutes because of the dedicated efforts of its distinguished faculty members, state-of-the-art infrastructure and its passion for serving the nation and humankind through constantly redefining what’s possible in this field. IIT Kharagpur has 19 departments, 13 schools and 17 research centers with over 60 courses being offered in engineering, science, humanities, management, law and design.

IIT Kharagpur
World Rank: 280
The roots of the Department of Humanities and Social Sciences were laid during the very inception of IIT Kharagpur. The Department was set up with the prime objective of providing a value-based liberal education to budding scientists and engineers. Being one of the first departments to be set up when IIT Kharagpur came into existence in 1951, it houses many disciplines including Human Resource Management, Communication Studies, English Language & Literature, Economics, Psychology, Philosophy, Sociology, German.

HSS emerged as a significant player in the field of Human Resource Management in the country and has also engaged in consultancy and management development activities.
The Department of Humanities and Social Sciences at IIT Kharagpur had been offering an M.Tech. program in Human Resource Development & Management since 1982. With the prime objective to meet the demands of a continuously evolving business scenario, in 2010 the Department restructured the M. Tech. program into Master of Human Resource Management (MHRM)

MHRM offers a diversified industry-oriented curriculum delivered by dedicated faculty, industrial exposure through guest lectures, challenging internships in both the public and private sectors, stimulating live projects complemented by a strong tradition of wide-based alumni support. The program blends technical expertise with managerial acumen to produce business leaders, strategists, and managers with a commitment to serve the society. The rigorous academic syllabus is matched with an equal emphasis on co-curricular activities and team-work in various societies, clubs and committees on campus. A distinctive feature of MHRM is the emphasis on analytical skills and quantitative aptitude that commensurate with top-tier management programs worldwide. In short, it is educational enhancement at its very best.
WHY MHRM?

- Brand IIT Kharagpur
- Specialization in HR
- Highly qualified faculty
- Winter & Summer Internship Experience

  • Interpersonal Communication
The admission procedure for the MHRM Program at IIT Kharagpur ensures that only the very best of students make it to its campus. MHRM believes that for the finest output, a stringent check needs to be maintained on the input; admissions into MHRM is through the Common Admission Test (CAT) followed by an intensive PI session. To ensure that the learning environment in the class is a perfect blend of youth and experience, profiles of the candidates are given due consideration.

**ADMISSION PROCEDURE**

A candidate must have any of the following:

- A Bachelor’s degree of minimum 4-year duration in engineering, technology, pharmacy, medicine, or similar disciplines;
- Master’s degree in any subject

**GE/NC-OBC:** Minimum of 60% marks (or CGPA of 6.5 on a 10-point scale)

**SC/ST/PwD:** Minimum of 55% marks (or CGPA of 6.0 on a 10-point scale)

For or both the above cases, if the CGPA is on a different scale than 10.0, the eligibility of the candidates will be calculated corresponding to the equivalence stated above

CGPA will not be converted into percentage marks if the degree awarding institute provides marks in the CGPA system. Their admission will be based on CGPA awarded in the transcript

Selection of students currently in the final year will be provisional, subject to the condition that all parts of the examination must be completed in all respects before the date of joining the Institute, and the mark sheet/certificate is to be submitted latest by October 31, 2022

Admission to reserved category candidates will be as per Government of India rules

**ONLINE APPLICATION LINK**

Applicants can make them available for selection process by applying from below

[https://erp.iitkgp.ac.in/IITKGPApplications/index](https://erp.iitkgp.ac.in/IITKGPApplications/index)

**SHORTLISTING PROCESS**

Shortlisting is based on CAT scores and academic profile, followed by PI (Personal Interview).
Anjali Gera Roy
Ph.D. (IIT Bombay), Professor

Her academic career spans a number of research areas like Sociology of Tourism, Sociology of Health/Illness and Medicine, Environmental Sociology, Medical Ethics, Business Ethics, Sociology of Architecture, and Society Science and Technology with a common thrust on Human Rights and Ethical principles. Her current area of interest is on End-of-Life care.

Rishabh Rai  
Ph.D. (University of Delhi), Assistant Professor Grade-1  
Dr. Rai research work revolves around the idea of how the human mind evolved, what individual and situational factors were responsible, and the extent to which the human mind converges and diverges with other species. Currently, his work is looking at antecedents and behavioral consequences of risk-taking and self-control in humans. Both risk-taking and self-control have contributed to the flourishing of Homo Sapiens and the continuous growth of its civilization. His future work will look at the behavior of nonhuman primates (rhesus monkeys). The study of primates will throw light on the evolutionary conditions under which a behavior evolved.

Manas Kumar Mandal  
Ph.D. (Calcutta University), Distinguished Visiting Professor  
Dr. Manas is appointed as Distinguished Visiting Professor of Psychology, Indian Institute of Technology, Kharagpur. His research contribution to the field of psychological science spanned over 35 years with primary focus on affect processing in the brain, in general, and in schizophrenia, in particular. While at the Indian Institute of Technology - Kharagpur, Dr. Mandal pursued the domain of behavioural neuroscience in normal human behavior, in which he explored the difficulties faced by the left and mixed (clumsy) handers in the society. His researches let us know what percentage of the left handers are found in India, what makes a left hander switch handedness pattern, why the left handers are more prone to accidents than the right handers, etc. As the Director of Defense Institute of Psychological Research (DRDO), Dr. Mandal engaged himself in a large number of activities towards the human performance development of the community of armed / paramilitary forces (National Security Guards, CRPF, etc.).

Sunandan Ghosh  
Ph.D. (Jadavpur University), Assistant Professor Grade-1  
Dr. Sunandan is associated with Department of HSS, IIT Kharagpur, since 29.07.2019. Prior joining HSS, he served as a Visiting Faculty at IIM Kozhikode, as a Assistant Professor, Centre for Development Studies, Thiruvananthapuram, as a trainee teaching associate, Indian Institute of Calcutta, Kolkata. His areas of Specialization and Research include International Economics, Economics of Regional Integration, Applied Game Theory.

Kshitij, the annual techno-management symposium of IIT Kharagpur, celebrates the spirit of management and technology and congregates students all over India to showcase their scientific and managerial dexterity. It provides an assorted mix of a galaxy of events with synchronized conduction of workshops, technical exhibitions, guest lectures, and more. The latest online edition of the fest saw massive participation from across India as it recreated a virtual environment where it continued to engage, motivate, and help students innovate.

Spring Fest is the annual social and cultural fest of IIT Kharagpur. With a footfall of over 80,000, Spring Fest is one of the largest of its kind in Asia. What started in 1960 as an inter-college competition has now transformed into an ever-growing festival during its glorious 62-year journey, with the 62nd edition taking place virtually. The dedication and devotion of the students result in a perfect blend of fun and frolic, of excitement and ecstasy, embedded with tantalizing professional performances from India and abroad along with an address to social responsibility with its underlying social themes.

Other Noteable Events

Anoogoonj - Dept HR Fest
Sansmaran - Virtual Alumni Meet
Ullekhan - Article Writing Event
Hridhan - Annual HR Strategy Event
Anubhav - Annual Internship Experience sharing event
MHRM Chronicle - Corporate Talk Series
Aluminaries - Alumni Guest Lecture Series
Since its inception, MHRM – IIT Kharagpur has produced many illustrious alumni whose contributions at the national and international levels in the field of HR have been unparalleled. Our alumni have distinguished themselves in almost every field as industry captains, consultants, academicians, technocrats, architects, bureaucrats, and significant contributions in building the modern HR industry. A large number of them have also made their mark working in stakeholder positions and heading HR verticals. IIT Kharagpur takes pride in teaching skills and values that make them the most sought-after candidates for coveted positions in business, academics, and research. Our Alumni have made numerous invaluable contributions to the Institute in the form of endowment or by participating in advisory and management decisions. They are the foundation on which IIT KGP stands proudly with its head held up high.
